

## PRIVACY POLICY

Pursuant to Articles 13 and 14 of EU Regulation No. 2016/679 and Legislative Decree 101/2018

This page aims to inform users of this site about the management methods regarding the processing of their personal data, as prescribed by Articles 13 and 14 of European Regulation No. 2016/679 or GDPR.

This information also fully complies with Recommendation No. 2/2001, which the European authorities for the protection of personal data, gathered in the Group established by Article 29 of Directive No. 95/46/EC, adopted on May 17, 2001, to identify some minimum requirements for the collection of personal data online, particularly the methods, timing, and nature of the information that data controllers must provide to users when they connect to web pages, regardless of the purposes of the connection. By consulting this site, data relating to identified or identifiable persons may be processed. Your personal data will not be disclosed, and you are entitled to exercise the rights referred to in Articles 15-22 of European Regulation No. 2016/679 by writing to [privacy@isoil.it](mailto:privacy@isoil.it)

The data controller is Isoil S.r.l., with its registered office in Cinisello Balsamo, via F.lli Gracchi No. 27.

The processing related to the web services of this site takes place at the aforementioned office and at the site service provider's office and is handled only by the company's staff or by any persons in charge of occasional maintenance operations.

All data acquired through online services will not be communicated or disclosed to other parties without the user's explicit consent.

### Types of data that can be acquired

#### Browsing data

Our computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

The above information is not collected specifically to be associated with identified individuals, but due to its nature, it could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes IP addresses or domain names of computers used by users who connect to the site, addresses in URI (Uniform Resource Identifier) notation of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are used solely to obtain anonymous statistical information on the use of the site and to check its correct functioning. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site and may be exhibited to the Judicial Authority, if explicitly requested.

#### Data voluntarily provided by the user

The optional, explicit, and voluntary sending of data collected through data collection forms dedicated to online services entails the subsequent acquisition of the data by Isoil S.r.l., necessary to respond to the user's requests.

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected.

Specific security measures are observed to prevent data loss, illegal or incorrect use, and unauthorized access.

#### Personal data collected from social media

The user has the ability to control the personal data that the site can access through the privacy settings available in the respective social media.

This type of service allows interactions with social networks or other external platforms directly from the pages of this site.

The interactions and information acquired from this site are in any case subject to the user's privacy settings for each social network.

This type of service could still collect traffic data for the pages where the service is installed, even when users do not use it. It is recommended to disconnect from the respective services to ensure that the data processed on this site are not linked to the user's profile.

LinkedIn social button and widget (LinkedIn Corporation)

The LinkedIn social button and widget are interaction services with the LinkedIn social network, provided by LinkedIn Corporation. Personal data collected: Cookies and Usage Data.

Place of processing: USA – Privacy Policy <https://www.linkedin.com/legal/privacy-policy>
